# 01 | THE AQUATONIC® POOL

The Aquatonic® Pool was invented in 1987 at the Thermes Marins in Saint-Malo, France. This certified concept is taken up in the best spas in the world, including 4 in France and 5 internationally. This place, unique in New Caledonia, is a pool of 300 m² intended for relaxation and well-being. It consists of two heated pools including jacuzzi and hydro-massage jets designed for deep relaxation of body and mind. The entrance also includes access to the sauna and steam room.

- The Aquatonic® Pool is accessible without reservation at opening times.
- Aquafitness courses must be booked in advance. Access to the courses will be denied for any delay.
- The Aquatonic® Pool is accessible from the age of 16 and subject to being accompanied by an adult over 18 years old on presentation of an identity document (an adult can accompany up to 3 minors).
- The Aquatonic® Pool is not recommended for pregnant women.
- The wearing of the bathing cap is mandatory. It will be given to you at the reception with a towel.
- Only swimsuits are permitted, all non-regulatory clothing will not be accepted (see diagrams).
- For men only briefs and swim boxers are allowed. Please kindly note that swim shorts and lycras are forbidden.
