AQUATONIC® COURSE

The Aquatonic® Course was created in 1987 at the Thermes Marins de Saint-Malo.

This certified concept is now featured in some of the world's top spas, with four locations in France and five internationally.

Unique in New Caledonia, the Aquatonic® Course is a 300 m² pool designed for relaxation, well-being, and physical recovery.

It consists of two heated pools with hydrotherapy jets and wellness stations, carefully designed to promote deep relaxation of both body and mind. Admission also includes access to the sauna and steam room.

Practical Information

- The Aquatonic® Course is open without reservation during regular opening hours.
- Aquafitness classes must be booked in advance. Late arrivals will not be admitted.
- Access is permitted from age 16, accompanied by an adult (ID required; one adult may accompany a maximum of 3 minors).
- The Aquatonic® Course is not recommended for pregnant women.
- Swim caps are mandatory and will be provided at the reception, along with a bath towel.
- Only regulated swimwear is allowed. All non-standard attire will be refused (see diagrams).
- Board shorts, swim trunks, and lycra tops are strictly prohibited in the Aquatonic® Course.
